

As historians, we will learn about: The Great Fire of London

- Examine images, diary extracts and video clips to understand what London was like in 1660s.
- Learn about how the fire started and about the equipment people had to try and put the fire out with.
- Research why the Great Fire burned uncontrollably for so long?
- Look at primary and secondary sources to learn more about the Great Fire and the impact it had.

As athletes, we will take part in:

- Brilliant Ball Skills —To develop catching, kicking and dribbling skills.
- Gym fit Circuits—perform a sequence of gymnastic moves within a circuit.

As scientists, we will learn about: BIOLOGY

Living Things and their Habitats

- Introduction to habitats and micro-habitats.
- Examine microhabitats using a magnifying glass.
- Show how living things are adapted to their environment—Hot and cold deserts.
- Introduction to food chains and constructing their own food chains.

Year 2 Spring Term 2

2022-2023

Learning Overview for Parents

As learners of religion, we will study:

Christianity—Why Easter matters to Christians

- Who Jesus is and how he treats his friends.
- The sacrifices Christians believe Jesus made.
- Why the belief in Jesus's resurrection is important to Christians.
- What the Bible say happened after the resurrection?
- Why salvation matters to Christians.

As musicians, we will learn about:

- Zoo Time, A Reggae Song for by Joanna Mangona.

As computer scientists, we will learn about: Data and information – Pictograms

- Identify, read and create a pictogram.

As designers, we will design and make: A moving vehicle

- Explore wheel and axel mechanisms.
- Follow a design brief to make our own moving fire engine.
- Test and evaluate our vehicles.

In P.S.H.E, we will focus on: Healthy Me

- Exploring eating a healthy, balanced diet and being physically active.
- Knowing how to be a good friend and enjoy healthy friendships.
- Knowing how to deal with difficult situations.
